16 Plaintiffs include this attachment as part individual forms (AO 240)
 17 prepared by each of the co-plaintiffs:

18 As to #1 concerning EMPLOYMENT: Applicants have not been employed and
 19 can not "state the date of last employment and the amount of the gross and net
 20 salaries" because last employment was years ago.

21 Plaintiff Ross Shade was self employed and until 1990 was a partner of a
 22 professional firm and since then has worked at attempting to find employment
 23 when the need for additional income arose. Self employment was the consulting
 24 with owners of small business enterprises and preparation of SEC documents for
 25 use in connection with small corporation public offering and private placements,
 26 reconstruction of accounting records and preparation of financial statements for
 27 companies hoping to raise money. That type of self employment ended in
 28 September 2003 when required to become a caregiver for my wife. Being unable
 29 to be away from home for more than a few hours at a time has made consulting
 30 with small business impractical and last receipts for reimbursement of travel
 31 expense was also in September 2003 and since then the only receipts has been
 32 from Social Security.

33 Plaintiff Mary C. Shade was a homemaker, providing care for children and
 34 grandchildren. In May 2003 while recovering from an illness in care of a
 35 Convalescent Hospital suffered injuries and when finally returning home in

1 September 2003 required Ross Shade act as a caregiver and, although not disabled
2 mentally, is no longer able to perform acts necessary to live without assistance and
3 without caregiver would be helpless if suffered a fall or needed other help during
4 an emergency.

5 As to #7 concerning BANK ACCOUNTS and other assets: Two bank accounts
6 shown are accounts to which Social Security benefits are deposited automatically
7 each month. These are shown as with zero balances because (except for one refund
8 from medical insurance) the only income is deposited (social security). Any
9 amount that is not spent for care and living costs remains in the account until
10 property taxes are paid in April and December.

11 Other assets are home furnishing and office equipment in two work areas
12 each containing computer and printer plus one copier essential for business and
13 plus materials and office supplies with no real market value.

14 As to #8 concerning "your monthly expenses": While we have no rent to pay we
15 have to pay for insurance, taxes and maintenance of our home purchases about
16 five years ago when we down sized after finding it was impossible to find any
17 employment even at entry level jobs with Several Service or other employers.
18 This section has no room to show costs of additional costs for treatment of a
19 condition in excess of what medical reimbursement is available; nor does it
20 provide space for cost of transportation including maintenance of a vehicle. Our
21 expenses for necessary food, shelter, and medical care are equal to our income
22 from social security and have had no money to have dental work performed or to
23 have surgery to improve the quality of our lives. Litigation since (December 2003)
24 has cost an average of perhaps \$100 a month for supplies. All courts to date have
25 allowed us to proceed in *FORMA PAUPERIS*.

26 As to #9 concerning "any other debts": We show no other debts as none are being
27 paid monthly. These include: (a) Over the past four years our two children have
28 provided emergency assistance when necessary and have paid for some medical
29 procedures that required co-payments we could not afford. We owe them even

1 money that they will need in order to pay costs of college educations for their
2 children. (b) During a period when home care services were being provided at no
3 cost, these costs will be a debt to be paid from estates. (c) Not listed are amounts
4 we were unable to pay on credit card accounts and which are not being paid in lieu
5 of filing for bankruptcy.

6 As to #10 concerning other litigation "seeking to file claims that have been
7 presented in other lawsuits": We have checked the "no" as we in this case are
8 suing the Judicial Council of the State of California and are not seeking to raise
9 claims presented in other lawsuits. This case against the Judicial Council arose
10 when in Shade vs. United Health Systems Inc. in the Superior Court of the County
11 of Yolo we discovered that our Answer to a Motion for Summary Judgment plus
12 supporting pleadings (that were filed timely and recorded by the Clerk of the
13 Court) had become "missing". When we asked an attorney to assist in this case his
14 answer was "sorry", "that court is something else", and "I never accept ANY cases
15 in that Superior Court of the County of Yolo". Finally I discovered that the Clerk
16 who assisted me in that she obtained the file and stayed to assist me if I had any
17 questions and finally obtained another file in which loose papers showed that the
18 someone with the court had contacted the opposition attorney's office and asked
19 that they provide a copy of the missing papers". When I asked the Presiding to
20 investigate and rectify the error where a judge of that Superior Court granted a
21 Motion for Summary Judgment his only response was that "Court found no reason
22 to investigate bias" and provided the address for the Commission of Judicial
23 Performance in case I wanted to file a complaint. In my complaint in this court I
24 claim that the use of the Commission on Judicial Performance is a ruse in an
25 attempt to misdirect me and others no different from that used by perpetrators of
26 this type of fraud in the aid of attorneys whom I am now also suing but in cases
27 concerning attorneys use trickery to avoid compliance with the Fair Debt
28 Collection Practices Act in connection with lawsuits filed for collection of debt
29 where each of eight collection case has been used by *debt collection law firms*.

1 I have filed two actions in the Eastern District U.S. District Court that are
2 pending approval of Applications to Proceed in Forma Pauperis that are (1) Shade
3 vs. Bank of America N.A. USA and (2) Shade vs. Wells Fargo Bank N.A.

4 I have also filed an appeal in the California Court of Appeal Third
5 Appellant District in the case (3) Shade vs. United Health Systems Inc.

6 As to the California Judicial System the Chief Justice says this is an
7 *advocate driven judicial system*. I have sought an advocate to assist me but am
8 now determined to proceed even though none of the hundreds of attorneys
9 contacted would help and the attorneys that I have worked with in the past, now
10 that I am *80 years old* are *no longer available*.

11
12 I declare under penalty of perjury that the foregoing is true and correct and
13 understand that a false statement herein may result in the dismissal of my claims.
